

Generation Yuvaa

Social Service Organisation

Need Sponsor for Kids Education

As we all know they have come from different drastic situations which has taken part in their lives. After thorough counseling by **Generation Yuvaa** they are finally ready to make a kick start in their academic career. So let us stand together & feel responsible in building their careers for a better future.

Just Rs.1200/- a month can make
a street kid to a well versed
School Going Child.
